

508-865-1717

4 Quinsigamond Avenue, Worcester, MA 01608

Millbury Textile Recycling, Inc. is a 4th generation textile recycler who wants to change the way you think about used clothing through our Cash4Clothes program. We want you to think about used clothing and household linens the same way you think about plastics, glass and cans.

Fundraising with Unwanted Textiles

Did you know that textile recyclers will buy unwanted clothing and textiles for Cash? Some pay 10 cents or more for every pound of material that they receive. This means that fundraising can be as simple as making a donation box!

How do you set up at Textile Recycling Center?

1. First, obtain permission from your school officials.
2. Next, if we are not in your geographic area, locate a recycler that will pick up your donations on a regular basis or enlist parents and students to make frequent trips to the recycling center.
3. Advertise your fundraiser on the school newsletter and website.
4. Gather some large boxes from a grocery store or large retail store (recycled, of course) and decorate the boxes with signs and recycled textiles.
5. Consider giving a prize to the class that collects the most items (by weight or volume) and begin your campaign.
6. Once donations begin, ask students to go through the gently used donations to determine if they clothing can be sold to a thrift store and sell those items for profit. All other items go directly to the recycling center and sold.
