CASH 4 CLOTHES

Clothing Redemption Center

IT'S YOUR CLOTHES, YOUR COMMUNITY, YOUR CONTRIBUTIONS

You recycle your paper, plastics, cans and glass, it's time to recycle your used clothing and household textiles!

It takes months to years for clothing and textiles to decompose;

- Cotton rags, 1-5 months
- Wool socks, 1-5 years
- Nylon fabric, 30-40 years

Nearly 100% of unwanted household textiles and clothing can be recycled, regardless of quality or condition.

When you bring your clothing to **Cash 4 Clothes** we'll give you cash for your items, or if you prefer, we'll write a check made out to the charity of your choice. **It's that simple.**

Please note, we do not accept items that are; soiled, wet, mildewy, moldy, stolen, greasy, oiled, etc.

We are conveniently located at:
